

Season Greetings from your Stay Bent Team....

We've currently had a couple of good storms, so far and currently snowing!!! Keep your fingers crossed for a good water year.

The 2009 season has come to an end, and we are getting ready to get started with 2010. We would like to thank you for your support through out this last season and look forward to seeing you in 2010.

Sad news from the Stay Bent Fishing and Hunting Guide Service, as we will be losing one of our great guides, John "Junior" Pelichowski, but wish him luck with his new adventures. He promises to return to us in a year or two.

Good News Chad "Buck" Vancil has committed to filling John's place this coming season, here in the Sierras, also fishing the Kern and Lake Isabella areas.

Highlights, this year included, Stay Bent and California Deer Association hosted a "Field of Dreams" event in the Bridgeport area, where we were able to provide an all expense paid trip, including fishing with our team, lodging and meals for an entire weekend for 10 disabled kids and their families.

Stay Bent also assisted American Hunting and Outdoors with a first annual fishing tournament, which raised \$2200 for the Bridgeport Fourth of July Committee, with the assistance of many of our clients and friends. We look forward to making this happen again, this upcoming year.

New news: We are now offering float trips; down the Owen's River for you fly fishing enthusiasts. We also anticipate being fully licensed guides in Nevada this coming season.

There is currently fishing available now for the Owen's River and East Walker. We will offer these trips at a "winter" discounted rate. (Call for details.)

Hunting, remember we guide D-3 thru D-8, X-9A thru X-12 zones, including archery. Hunting this year was relatively successful for Stay Bent Guide Service. Don't forget about the pig hunts that we offer in the Central Valley with Buck.

We are taking reservations for the 2010 season and filling fast, if you have already made reservations please call or email us back to confirm.

From our Stay Bent family to yours; wishing you the best this holiday season.
